COSMETECH PRICELIST

Welcome to Cosmetech. We are a Consultant Surgeon-led clinic specialising in non-surgical anti-ageing solutions, health and wellbeing.

Our Consultant Surgeons have a background in head, neck and reconstructive surgery, plastic surgery, vascular surgery and maxillofacial surgery. Their experience within the NHS and private sector includes managing facial trauma, facial deformity, cosmetic dermatology and scar revisions. The Consultant Plastic and Cosmetic Surgeons are fully experienced in providing an extensive range of cosmetic surgery procedures. Our Principal Consultant Surgeon Mr Ashok Songra is also on the Anti-Wrinkle Validator panel of experts for the UK

THREAD LIFTS

Reverse the signs of ageing with a non-surgical face-lift this treatment uses absorbable threads to lift and rejuvenate your facial skin, resulting in a fresh and youthful appearance. This method is

based on the implantation of multiple threads, creating a vectoral network that acts to support the tissue. This treatment stimulates generation of your lost collagen to define your features.

Prices from £895 - £1195
